Newsletter - December 2024

IN THE SPOTLIGHT

Last chance! LIFE NECPlatform has extended the deadline to apply to its peer learning programme: discover how 6 EU Member States have organised energy and climate dialogues to draft their NECPs and get replication tips! Save the date, the project final event will be organised mid-March 2025 in Brussels.

Report - "Identifying Good Practices in National Adaptation Plans: A Global Review" presents a global analysis of the contents of National Adaptation Plans (NAPs) submitted to the Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC) before January 2024.

Make your Christmas more sustainable with our tips!

LOCAL AND REGIONAL ACTION FOR ENERGY AND CLIMATE

Factsheet (REGILIENCE et al) - Innovative projects building resilience across Europe, in the face of climate change.

Report (ENTRACK) - Perceptions, Needs, and Priorities of Citizens Concerning the Energy Transitions.

Report (ENTRACK) - Survey Results and Documentation of the Full Survey Database to support local and regional authorities in crafting effective energy transition strategies.

Article (REGILIENCE) – How communities are taking charge of climate adaptation in Catalonia.

Article (Regio1st, IN-PLAN and Prospect +) - Turning the Tide: Achieving Europe's Energy & Climate Goals Through Local Action - Experiences from the Smart City World Congress session by IEECP.

Mentoring programme (Regio1st) - Designed to help local and regional authorities to integrate the Energy Efficiency First (EE1st) principle into their planning and decision-making processes, the programme offers a unique opportunity to gain expert knowledge, practical tools, and personalised guidance. Apply by December 13th!
Scientific articles (OptFor-EU) - Climate Change and Forests: New scientific papers from OptFor-EU Reveal Vulnerability and Resilience.

EVENTS

6th Edition of the Forest Innovation Workshop and mid-term Conference of the OptFor-EU project. Inform-Prioritise-Collaborate: Building a Sustainable Forest Future through Regional Cooperation and Innovation – 11-12 February 2025, Brussels, Belgium.

ENERGY EFFICIENCY FINANCING AND BUSINESS

Infographics (DEESME 2050) - What are Walk Through Audits (WTAs)? And How does DEESME 2050 implement WTAs?

Glossary (RE-WITCH) – The campaign continues, catch up what you missed with BIM, LCC, TRL and Thermal COP.

Article (RE-WITCH) - Insights from the "Don't waste heat" webinar.

Policy brief (AUDIT2MEASURE) - Read our latest policy brief recommendations to help EU Member States enhance audit systems under the revised EED and accelerate industrial energy savings.

Factsheets (AUDIT2MEASURE) - Energy audits across Europe: essential factsheets for compliance and efficiency.

EVENTS

Pilot training session (BETTED) – 17th December, online – be our assessor and help us improve our training materials!

Dialogue event recording (AUDIT2MEASURE) - Watch our webinar recording on the overview of Art 11 EED implementation and novelties.

Energy Efficiency Renovation in Greek Buildings: European Guidelines, Financial Instruments, and Innovative Digital Tools (ENERGATE) – 5th December, Athens, Greece.

ENERGY EFFICIENCY POLICY

Platforms and reports (EU-MORE) - EUropean MOtor Renovation is an EU-LIFE co-funded project aimed at accelerating the replacement of old, inefficient electric motors in industry and the service sector while promoting the benefits of optimizing motor systems. Two forums are eagerly waiting for your inputs to shape energy efficiency policies across Europe. Whether you contribute specialised knowledge in the Policy Forum or share diverse perspectives on the Multi-Stakeholder Platform, your input will directly influence strategies for motor replacement and energy efficiency. Access the latest publications: Beta tool: Modeling stock, material and environmental impacts of circular economy product policies, Motor System Efficiency Trends, European Electric Motor Market Assessment.

Event recordings (EU-MORE) - The Motors Academy is dedicated to sharing invaluable insights and the

event, organised next March 11:

- What are key success factors of financial incentive programmes for efficient electric motor systems? Watch recording
- Minimum Energy Performance Standards for motor systems: Global overview (in collaboration with IEA 4E Electric Motor Systems Platform EMSA) Watch recording
- Advancing industrial inverters: The research roadmap for Wide Bandgap Power Semiconductors (in collaboration with IEA 4E Electric Motor Systems Platform EMSA) Watch recording
- Estimating Savings: the EU-MORE Motor Model for Evaluating Electric Motor Replacement Policies (in collaboration with EU-MORE) Watch recording

Podcast (SEED MICAT) - Season 2 of Efficiency Optimised podcast is live! Explore how Multiple Benefits analysis drives climate neutrality & sustainable policies. Listen on Spotify and watch YouTube.

Webinar materials (ENSMOV Plus) - Transport – untapped potential or too difficult to handle?

Report (ENSMOV Plus) - Matching existing tools and resources with needs and gaps on Art.8 EED.

Recording (Enefirst Plus) - From Local Action to Global Change: Best Practices in Renewable Heating and Cooling.

EVENTS

Energy savings potentials for policymaking: Examples in the context of the EED - ENSMOV Plus webinar, 17th December, 13h CET, online.

CONSUMERS AND COMMUNITIES

Blog/Interview (JUSTEM) - Energy transition expert Sofia-Natalia Boemi shares her expertise with JUSTEM on the important role education and one-stop shops have in the just transition.

Did you know? EU-funded projects used to have a limited “digital” life. With the revamped IEECP site, we ensure key project outputs stay available “for ever”. We have now transferred ENPOR’s highlights onto a new web-area, go have a look! ENPOR stood for Actions to Mitigate Energy Poverty in the Private Rented Sector.

Energy Poverty Bulletin (RENOVERTY) – Go through the special winter edition of the Energy Poverty Bulletin to access global news and numbers on energy poverty across Europe, as well as research and policy work, infographics, podcasts and more! Subscribe here!

EVENTS

Quantifying the Impact: Addressing Energy Poverty Through Efficiency – RENOVERTY, INHERIT, SEED-MICAT and ODYSEE-MURE webinar, 22nd January 2025, 10:00 -11:30 CET, online.

BUILDINGS

Fill our survey! (SRI2MARKET) - What matters most when it comes to smart services? Have your say at our short surveys.

Newsletter (CoolLIFE) - Discover two brand new cutting-edge tools available to support designers and policymakers in assessing current energy demand: the Knowledge Hub and CoolLIFE Tool, read up on

Video (EBENTO) - Digital Tools for Management of New and Innovative Energy Performance Contracts, Including Comfort and Flexibility.

Webinar recording (EBENTO) - Unlocking the Renovation Wave.

Article (DigiBUILD) – Discussing advanced technologies, data, and direct end-user involvement at Enlit.

Project start (OBSERVE) – Guiding national authorities in setting up national building stock observatories.

Videos (InEExS) – The Capacity Building series has new videos to dive deeper into the project's five innovative business models and recruit replicators to incentivise the adoption of sustainable technologies.

The IEECP newsletter gathers news from projects receiving funding from the European Horizon 2020, Horizon EU and LIFE programmes. See all projects IEECP coordinates or participates in.
